Throughout our **73-year history**, The Crystal Charity Ball has distributed more than **\$198 million for the children of Dallas**. Each year funds raised benefit children of Dallas County through programs and services provided by our Beneficiaries.

We ask that you open your heart and become part of these children's futures by participating in The Crystal Charity Ball Children's Book, a beautifully bound keepsake featuring Dallas' young people through professional photography.

Children's Book contributors may choose to **honor their own children or grandchildren, children of friends or relatives, children representing one of the 2025 Beneficiaries, or your beloved pets**. Each will be presented on a separate page with a 6" x 6" color photograph. Participation in the Children's Book serves as an ongoing tribute and a lasting commitment to the children of Dallas.

**Children's Book sponsorship is \$800 for either a Children's Book page or to honor a Beneficiary.**

*Children's Book contributions are 100 percent tax deductible.*
